

REMARKS

Reconsideration of this application as amended is requested. Applicants appreciate the withdrawal of the rejection under 35 U.S.C. §112 as to claims 54-59. Claims 37, 38 and 41-45 have been allowed, while claim 59 was deemed to contain allowable subject matter. Claims 54-58 were rejected.

In view of the allowability of claim 59, which depends from claim 54, Applicants have amended claim 54 to incorporate the limitations of claim 59 and consequently cancelled claim 59. Claim 58 has been amended for consistency with amended claim 54. It is therefore believed that claim 54 and its dependent claims 55-58 are patentable over the cited art.

Applicants have placed all claims in condition for allowance. Action toward that end is earnestly requested.

Respectfully Submitted,

/Michael D. Beck
